ACADEMIC

Academic timetable: There is currently discussions going on between the Department of Education and government structures regarding the return of all primary school learners to school next term. *No decision has been made in this regard.* We will inform our parents as soon as an official decision in this regard have been made.

Currently, the Departmental regulations still prevent schools with limited space to return all learners and grades to the school;

*“a school must comply with the social distancing and timetable models”,
“... a school with large enough facilities may continue to operate in accordance with their traditional timetable”.*

We will until further notice continue with our alternative timetable as we have become accustomed to, next term.

Academic reports: You will only receive a *provisional* academic report this term. The 2021 software update, for the departmental SASAMS-program, used for the calculation of marks have been delayed and not available. We will issue an official academic report as soon as it is available.

Schools reopen: Schools will reopen as follows: Monday 3 May for the B Group (*Day 3*).
Tuesday 4 May for the A Group (*Day 4*).

School uniform: When schools reopen in May, learners wear their winter school uniform.
