2023-01-20

Dear parents

## NEWSLETTER 2/2023

**Parent-teacher meetings:** Thank you to every parent who attended the parent-teacher meetings held at school. We appreciate your cooperation and attendance. It was an opportunity to meet your child's register teacher. Important information were conveyed regarding the successes expected from our children this year as well as where parent assistance will be needed.

We do understand that it was not possible for some parents to attend and therefore we appreciate that you notified the teachers. We are however disappointed that an average of 28% of parents (Gr. RR-7) did not attend nor excuse themselves from the meeting. Staff members will distribute the minutes and important information from the meeting to the learners in attendance today. Please study the information.

Success in the education of our children is a team effort requiring 100% cooperation between the teachers and the parents – it is certainly not only the responsibility of teachers. The success of our school is also reliant on this. We are known as a school where our parents are involved – and we have many!!!! Let us encourage EVERYONE (all parents) to become involved. After all - it is to the advantage of our children.

**Daily food parcels for needy learners:** If there are any parents willing to assist in providing food parcels, please contact the coordinator of the project, teacher Landi (0829247996), Thank you.
