Dear parents

NEWSLETTER 10/2023

We have reached the end of an extremely busy term for all. Between all the winter sport activities and culture events we also produced a wonderful school concert in which every learner in the school were afforded the opportunity to perform on the stage. The term concluded with the writing of examinations for all Gr. 4-7 learners.

School Communication (D6 / WhatsApp): The *D6* communication app that was used to convey important information to parents will no longer be in use as from 1 July. You are welcome to uninstall the app from your phone and/or desktop. The school office will in future correspond with parents by *WhatsApp group*. A *WhatsApp broadcast group* was created for this purpose. This *WhatsApp broadcast group* will only be used to communicate important school information and messages directly from the school office. Please do not reply or send messages back on this group.

Important information such as test schedules, exam schedules, newsletters and extra mural programmes will be posted on the *WhatsApp broadcast group* as well as the school website www.stulting.co.za.

If you do not yet receive *WhatsApp broadcast group* information it means that the office does not have your active mobile telephone number. Please contact the school office to update or verify your number or for any other queries.

Community project (Term 3): It is winter and we would like to present our local old age home with some warm blankets and toiletries, but with a twist. Our learners will be assisting in the “making” of these blankets. Our project will be divided into 4 parts:

1. Toiletries + Blanket drive: 1st week of new Term 18th-21st July donations will be received (toiletries + blankets or material for blanket (thick quality fleece) 1.5mX1.5m unless the width is 1.2m - then you make it 1.2mX1.2m.
2. 2nd week 28th Friday: R10 for Funky hair. Pancakes + Vetkoek will be sold as well
3. Monday 31st July – learners will be assisting in the “making” of the blankets by cutting the material to size as part of the school project.
4. We will donate the blankets and toiletries to the old age home on Tuesday 1st August.

ACADEMICS

School reopens: The school will reopen on Tuesday 18 July at 07:30.

Parent-teacher meetings: All learners received their academic reports for term 2 today. Meetings to discuss these results will be held next term on Wednesday 19 July. Parents required to attend these meetings will be notified by letter.

Foundation Phase Children’s Art & Social Evening: This event will be held in the school hall on 4 August at 17:30. Our children’s art will be exhibited and can be “bought” by giving a donation. This serves as fundraising for the construction of playing equipment in the FP play area. Tickets cost R 50 and include quiche and sherry.

Warrior Race: On the 10th of June 2023 Stulting Primary School held their annual Warrior races. This year we thought it good to make our Open Day part of the Warrior races and it was a huge success. We welcomed quite a few new parents and learners who enjoyed a scavenger hunt through the school to get to know our school grounds as well, and then they joined our Stulting learners on the rugby field where our Warrior racing track was ready to

FUNDRAISING

Milk Producers Organisation (MPO): Stulting participated in the MPO Eastern Cape World Milk Day Sticker-project. Learners could purchase "cow"-stickers for R10 and in doing so, could wear casual clothes to school on 1 June 2023 in celebration of World Milk Day.

We nominated "Ons Tuiste" as our school's charitable organisation of choice. The funds raised were used to purchase dairy hampers directly from the Woodlands Dairy factory at cost price. Woodlands Dairy also donated an additional 50% of product to each hamper. Delivery of these dairy hampers took place last week.

Stulting Greetings
