2023-09-12

Dear parents

NEWSLETTER 15/2023

Stulting Primary School Sports Day 2023: Despite the matches of Saturday 26 August not being able to take place as a result of the weather, the activities offered on Friday was a huge success. Thank you to all our parents and friends of the school as well as the broader Kouga area for supporting us by buying various products from one another. Hereby the sports day is not profitable but we are also not running at a loss. We are also disappointed that our largest fundraising event did not materialise but we look back at 36 years of successful sports days. We trust that 2024 will be even bigger and better than ever before.

Extra-mural Timetable: We received some queries regarding “*conditioning*” as indicated on the timetable. During the conditioning sessions our staff will focus on general fitness, agility, strength, endurance and core strength of our learners. Our focus is on the child not participating in any specific summer sport but wants to keep their general physical health. We encourage all learners to participate.

Sport and Culture Prize-giving (Thursday – 14 September): The prize-giving will take place in the school hall at 18:00. We request all the prize winners to report to their allocated classroom dressed in their full winter school uniform at 17:30. We request all our parents to please remain seated until the end of the prize-giving and refrain from collecting their children from the classrooms.

School hours (Thursday – 14 September): Due to the prize-giving all learners will be dismissed at 12:00.

Gr. 7 Entrepreneurial Day (Friday 15 September): All learners will receive an opportunity to visit the Gr. 7 Entrepreneurial Day held on the rugby field. Various activities and food stalls will be displayed. Learners can bring some money along to support the Gr. 7 learners.

Youth Fitness and Performance Centre / Rugby World Cup: Thank you to everyone who attended the match between the Springboks and Scotland in the school clubhouse on Sunday. All funds generated will be utilised in securing the planned performance centre for our learners. This centre will contribute to the general fitness and conditioning and improved performance of our players in all the different sports codes. Equipment used will be based on body-weight exercises for primary school learners.

The next event is planned for Saturday 23 September when the springboks play against Ireland at 21:00. Tickets will be available at the office from next week.

Foundation Phase Arts Exhibition (Wednesday – 20 September): The Foundation Phase art exhibition will be held in the school hall from 13:00 to 18:00 on 20 September. Parents are welcome to come and enjoy a cup of coffee while they are looking at their child's art. Entrance is free.

Stulting Greetings

C.J. Coetzer
